PROFESSIONAL SUMMARY

Senior iOS Engineer with 15+ years of experience developing production iOS applications using Swift, SwiftUI, and UIKit. Specialized in complex UI, performance optimization, AR / computer vision, and camera-based features. Strong systems background enabling clean mobile architectures and effective collaboration in remote teams.

KEY SKILLS

iOS Development: Swift, SwiftUI, UIKit, Combine, StoreKit, Core Image
Architecture: MVVM, modular architecture, networking layers
Mobile Tooling: Alamofire, Fastlane, TestFlight
Advanced: ARKit, LiDAR, TrueDepth, Computer Vision
Supporting: REST APIs, Python, FastAPI

PROFESSIONAL EXPERIENCE

iOS Engineer (Freelance) — Remote

Dec 2024 – Feb 2025
• Built SwiftUI interfaces and robust networking layers using Alamofire and Combine
• Collaborated with designers, backend engineers, and product managers
• Optimized performance for smooth UX across devices
• Delivered MVP in 3 months, validated by early adopters

Senior Software Engineer (iOS / AR / CV)

InData Labs — Full-time
Mar 2020 – Oct 2024
• Developed iOS applications using SwiftUI and UIKit
• Built AR and computer vision solutions using LiDAR and TrueDepth
• Optimized ML models for on-device deployment
• Improved image classification accuracy by 15%
• Reduced model size by 40% for production use

Senior Software Engineer

Softeq — Full-time
Feb 2019 – Feb 2020
• Developed software for ARM-based platforms (Qualcomm Snapdragon)
• Implemented image processing and auto-exposure correction algorithms

Senior Software Engineer (iOS)
DIGITEUM LLC — Full-time
Jun 2012 – Feb 2019
• Designed and developed custom iOS UI component libraries
• Built photobook editor for iPad and cross-device photo creator
• Delivered UI-heavy iOS applications used in production

Solution Architect / Python Developer (Supporting Role)
Freelance — NDA
Feb 2025 – Dec 2025
• Designed backend services supporting mobile applications
• Reduced infrastructure costs by ~20%

CERTIFICATIONS
Deep Learning Specialization (Coursera, 2019)
Neural Networks and Deep Learning (Coursera, 2018)
Convolutional Neural Networks (Coursera, 2019)
Kaggle Profile: https://www.kaggle.com/andynewman

EDUCATION
M.Sc. in System Engineerng – Belarusian State University of Informatics and Radioelectronics

LANGUAGES
English – Professional working proficiency
Polish – Intermediate
